# GROUP FITNESS CLASS DESCRIPTIONS

## GETTING HEALTHY TOGETHER

All fitness classes are free for Downtown YMCA Members. Guests may attend fitness classes once for free. Each additional visit is subject to the \$12 guest fee.

**ACTIVE OLDER ADULTS:** Move to music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and balls offered for resistance. A chair is used for support.

**CORE & RESTORE:** Restore and lengthen tight muscles while strengthening your core. This class is designed to help your body function and recover better.

**FITNESS FOR NEURODIVERSITY:** Repetitive training of 4 foundational skills that underlie everyday function that become impaired in Parkinson's Disease. High effort for bigger and faster movements with focus on how it feels. Adult with medical clearance and adequate mobility or someone available to assist.

**HIIT:** Short, intense and fun. This 30-minute class will get your body moving and heart racing, while offering periods of rest.

**HIIT BOOT CAMP:** High-intensity interval training consisting of intense bursts of exercise, followed by short recovery periods. This full body workout builds cardiovascular fitness while improving muscular strength and endurance.

**LES MILLS BODYCOMBAT:** A high-energy martial arts-inspired workout that is totally non-contact. Punch and kick your way to getting fit, fast & strong.

**LES MILLS BODYPUMP:** This 60-minute workout challenges all your major muscle groups by using the best weight room exercises like squats, presses, lifts, and curls. Great music, and your choice of weight inspire you to get the results you came for – fast.

**LES MILLS GRIT:** This quick, 30-minute workout consists of high intensity bodyweight and equipment-based exercises to build some serious strength and take your cardio fitness to the next level.

**PILATES:** Body conditioning method that strengthens and tones the whole body with an emphasis on the abdominal and back muscles (core). Pilates exercises can improve posture and flexibility

**TOTAL STRENGTH PLUS:** Use a variety of equipment, such as dumbbells, barbells, stability balls, and resistance tubing while working on high-energy music to increase total body strength with incorporation of cardio work to increase heart rate.

**YOGA:** Class focuses on increasing balance and flexibility through bodily postures and breathing exercises. Yoga classes also address and often relieve many common causes for back pain.

**POWER YOGA:** Features a dynamic and challenging blend of sun salutations, standing poses, backbends, forward bends, twists, core and inversions! A powerful class that will feel you rinsed and revitalized. Expect to move, sweat and leave transformed.

**ZUMBA:** The Latin dance craze that is sweeping the nation! Class combines energy and motivating music with unique moves and easy to follow combinations that allow participants to dance away their calories and worries.
