# WELCOME RALPH TREPkowski

## NEW ASSOCIATION MAINTENANCE & FACILITIES DIRECTOR

We're thrilled to welcome Ralph (Trep) Trepkowski to the YMCA of Columbia as our new Association Maintenance and Facilities Director. Trep brings with him a wealth of experience and a strong commitment to excellence.

For the past 12 years, Trep has served as the Facility Director at the Dow Bay Area Family YMCA in Bay City, MI. During his tenure, he has demonstrated exceptional leadership, a keen eye for detail, and a passion for creating positive experiences for members and staff alike.

Prior to his role at the YMCA, Trep owned and operated various hospitality businesses, further honing his skills in management and customer service. His ability to motivate and lead by example will undoubtedly be a valuable asset to our team.

Trep's experience extends beyond facility management. He was instrumental in overseeing the construction of a new 97,000 square foot YMCA facility, ensuring a smooth transition from the old location. His knowledge of building operations, coupled with his certification as a pool operator, will be invaluable in maintaining our facilities.

We are confident that Trep's dedication, expertise, and positive attitude will make a significant contribution to the YMCA of Columbia. We look forward to working with him as we continue to provide exceptional services to our community.

Please join us in welcoming Trep to the team!

"I've had the privilege of working with a fantastic team of employees, subcontractors, and administrative staff. Together, we've been able to improve, maintain, and deliver a YMCA that the Bay City, Michigan community can truly be proud of.

I'm excited to see what we can achieve together at the YMCA of Columbia!"
