CLASS DESCRIPTIONS

GETTING HEALTHY TOGETHER

All fitness classes are free for YMCA of Columbia Members. Guests may attend fitness classes once for free. Each additional visit is subject to the \$12 guest fee.

ACTIVE OLDER ADULTS: Move to music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing, and balls offered for resistance. A chair is used for support.

BARRE: A ballet-inspired workout using a combination of low impact dynamic movement, isometric hold, and small range of motion exercises to get deep into the muscles while being educated on proper technique to prevent injuries.

BOOT CAMP: High-intensity interval training consisting of intense bursts of exercise, followed by short recovery periods. This full body workout builds cardiovascular fitness while improving muscular strength and endurance.

CARDIO JAM/BEATS: Full body aerobic jam session that combines low resistance with stimulated drumming utilizing drum sticks and large yoga balls. Suitable for all fitness levels.

KETTLEBELLS: Strength circuits using kettlebells for a variety of exercises. Strengthen and tone the body while developing endurance, dynamic flexibility, precision, and timing.

LES MILLS BODYCOMBAT: A high-energy martial arts-inspired workout (non-contact). Punch and kick your way to getting fit, fast & strong.

LES MILLS BODYPUMP: This workout challenges all your major muscle groups by using the best weight room exercises like squats, presses, lifts, and curls. Great music, and your choice of weight inspire you to get the results you came for - fast.

LES MILLS CORE: A core workout that uses athletic training principles to build strength, stability and endurance in the muscles that support the core. Improve you balance, assist injury prevention and become better at everything you do!

LES MILLS GRIT: This quick, 30-minute workout consists of high intensity body-weight and equipment-based exercises to build some serious strength and take your cardio fitness to the next level.

LES MILLS RPM: RPM™ is a group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 500 calories a session.

PILATES: Body conditioning method that strengthens and tones the whole body with an emphasis on the abdominal and back muscles (core). Pilates exercises can improve posture and flexibility

PWR PARKINSON'S: Parkinson's Wellness Recovery is designed to empower people with Parkinson's disease to optimize their physical function and help the progression of symptoms. Please see Healthy Living Director for more info.

STEP: Cardio class that includes toning exercises & strength training to get your heart pumping. Stepping involves a platform of various heights upon which participants learns a variety of step patterns.

TAI CHI, GENTLE (ALL LEVELS): A mind/Body practice that involves a series of slow gentle movements and physical postures, a meditative state of mind and controlled breathing. Sometimes described as "meditation in motion" by promoting serenity through gentle movements that connect the mind and body.

TOTAL STRENGTH PLUS: Use a variety of equipment, such as dumbbells, barbells, stability balls, and resistance tubing to increase total body strength with incorporation of cardio work to increase heart rate.

WATER AEROBICS (SHALLOW): Calisthenics style movements with variation of upper and lower body resistive moves. Participants march, jog, dance, and ski through the water to create resistance and improve cardiovascular fitness, muscular endurance, and flexibility.

WATER AEROBICS (DEEP): Challenging aerobic and strengthening workout using selected floatation devices and adaptations. Expect powerful moves and full range of motion to improve strength, cardiovascular fitness, and flexibility.

YOGA: Class focuses on increasing balance and flexibility through bodily postures and breathing exercises. Yoga classes also address and often relieve many common causes for back pain.

YOGA, VINYASA FLOW (ALL LEVELS): "Vinyasa" means to move with breath. This style of yoga focuses on transitions and movements with less time spent in stationary poses while increasing balance and flexibility.

ZUMBA: The Latin dance craze that is sweeping the nation! Class combines energy and motivating music with unique moves and easy to follow combinations that allow participants to dance away their calories and worries.
