CLASS DESCRIPTIONS

GETTING HEALTHY TOGETHER

All fitness classes are free for YMCA of Columbia Members. Guests may attend fitness classes once for free. Each additional visit is subject to the \$12 guest fee.

ABOVE THE WAIST: This upper body workout strengthens and defines your arms and shoulders for a toned and sculpted look.

ACTIVE OLDER ADULTS: Chair-based exercises with weights, tubing, & balls for daily activities.

AQUA CIRCUIT: Unleash your inner athlete in a high-intensity water workout designed to maximize calorie burn. Gear included.

AQUA FIT: Move & groove in the shallow end with marches, jogs, and dance moves. Build endurance, flexibility, and burn calories with water resistance.

BARRE: Sculpt & Strengthen with ballet-inspired movements. Low-impact, high-burn workout targets muscles with controlled motions.

BARRELATES: A fusion style workout blending pilates, barre and yoga techniques.

BOSU BLAST: This dynamic class uses the Bosu ball to sculpt your core, improve balance, and build total-body strength.

BELOW THE WAIST: This class targets glutes, quads, hamstrings, and core to tone and strengthen your legs and backside.

CARDIO CORE: Workout for the full body that combines cardio intervals, weight lifting and core training.

CARDIO X: High energy, fast, explosive cardio workout for the full body that combines both HIIT and cardio rhythmic movements to improve balance, coordination, strength and power.

CORE BURN: Combines core, abs and back strength training with cardio intervals to reduce belly fat and strengthen core.

CYCLE: This high-energy indoor cycling class pushes you with hills, sprints, and more. Leave feeling energized!

CYCLE FUSION: This interval class combines cycling bursts with strength training for a full-body workout.

DANCE FIT: Get your groove on in this high intensity cardio class. Experience a mix of dance styles while improving your fitness.

DEEP WATER AEROBICS: Powerful moves in deep water with flotation devices maximize calorie burn & improve strength, cardio, & flexibility.

FUNCTIONAL FITNESS: Build real-world strength with functional exercises that mimic everyday movements. Improve balance, coordination, and power.

HIIT: High-intensity interval training consisting of intense burst of exercise followed by short recovery periods.

LES MILLS BODYCOMBAT: A high-energy martial arts-inspired workout. Punch and kick your way to getting fit, fast & strong.

LES MILLS BODYPUMP: This workout challenges all your major muscle groups by using the best weight room exercises like squats, presses, lifts, and curls.

LES MILLS BODY STEP: Combines energetic stepping with squats, lunges, and core work for a fun and full-body workout. All levels welcome!

LES MILLS CORE: A core workout that uses athletic training principles to build strength, stability and endurance in the muscles that support the core.

LES MILLS GRIT: This quick, 30-minute workout consists of high intensity bodyweight and equipment-based exercises to build strength and take your cardio fitness to the next level.

LES MILLS RPM: A group indoor cycling workout where you control the intensity. It's fun, low impact and you can burn up to 500 calories a session.

MIXED FIT: Combines fun choreography and high-energy music for a workout that's as fun as it is effective. No experience needed!

MOVE AND GROOVE: Low-Impact Fun! Get moving with moderate cardio & easy-to-follow routines. Ideal for beginners or regaining fitness after injury.

PILATES: Strengthen & tone your whole body with a focus on core muscles. Improve posture & flexibility for a stronger, more balanced you.

PIYO: Sculpt and stretch your entire body with PIYO. This unique blend of Pilates and yoga improves strength, flexibility, and core stability.

PARKINSON'S: Designed to empower people with Parkinson's disease to optimize their physical function and help the progression of symptoms.

TOTAL STRENGTH: Uses dumbbells, barbells, stability balls, and resistance bands to target all major muscle groups. No cardio, pure strength focus. Modifications available for all fitness levels.

TOTAL STRENGTH PLUS: Sculpt muscle & torch calories with weights, tubing, balls & cardio bursts. All-in-one workout for a stronger, fitter you.

YOGA: Class focuses on increasing balance and flexibility through bodily postures and breathing exercises. Yoga classes also address and often relieve many common causes for back pain.

CIRCLE-LATES: a Pilates infused class using the Magic Circle. This class provides strength and muscle toning along with balance and core(pelvic floor) strength.

ZUMBA: Dance to the beat in this high-energy class that blends Latin rhythms with fun choreography. All levels welcome, come ready to move!
