Ages 3-15

SIGN UP!

CLASS DESCRIPTIONS

GETTING HEALTHY TOGETHER

All fitness classes are free for YMCA of Columbia Members. Guests may attend fitness classes once for free. Each additional visit is subject to the \$12 guest fee.

ACTIVE OLDER ADULTS

Move to music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and balls offered for resistance. A chair is used for support.

CORE & RESTORE

Restore and lengthen tight muscles while strengthening your core. This class is designed to help your body function and recover better.

HIIT BOOT CAMP

High-intensity interval training consisting of intense bursts of exercise, followed by short recovery periods. This full body workout builds cardiovascular fitness while improving muscular strength and endurance.

LES MILLS BODYATTACK

A high-energy fitness class with moves that cater for total beginners to total addicts. Combines athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats.

LES MILLS BODYCOMBAT

A high-energy martial arts-inspired workout that is totally non-contact.

Punch and kick your way to getting fit, fast & strong.

LES MILLS BODYPUMP

This 60-minute workout challenges all your major muscle groups by using the best weight room exercises like squats, presses, lifts, and curls. Great music, and your choice of weight inspire you to get the results.

LES MILLS GRIT

This quick, 30-minute workout consists of high intensity bodyweight and equipment-based exercises to build some serious strength and take your cardio fitness to the next level.

PARKINSON'S + MOVEMENT DISORDERS

An instructor-led class designed for individuals with Parkinson's disease or other movement disorders. Focuses on improving mobility, balance, strength, flexibility, and coordination through chair exercises, light resistance training, cardio, and calisthenics using weights, bands, chairs, and exercise balls.

PILATES

Body conditioning method that strengthens and tones the whole body with an emphasis on the abdominal and back muscles (core). Pilates exercises can improve posture and flexibility.

STRENGTHEN, LENGTHEN, TONE

A full-body workout combining Pilates, barre, and strength training to build muscle, improve flexibility, and enhance posture. This low-impact class sculpts and tones through controlled movements and resistance exercises, perfect for all fitness levels.

TOTAL STRENGTH PLUS

Use a variety of equipment, such as dumbbells, barbells, stability balls, and resistance tubing while working on high-energy music to increase total body strength with incorporation of cardio work to increase heart rate.

YOGA

Class focuses on increasing balance and flexibility through bodily postures and breathing exercises. Yoga classes also address and often relieve many common causes for back pain.

ZUMBA

The Latin dance craze that is sweeping the nation! Class combines energy and motivating music with unique moves and easy to follow combinations that allow participants to dance away their calories and worries.
