

2026 PRAYER BREAKFAST

Building Stronger Community
Through Prayer

"Laws will not change a state. Changed hearts change a state."

- Dr. Bill Jones, 2026 South Carolina Prayer Breakfast

What does it look like to put faith into action? For Dr. Bill Jones, it has meant a lifetime of leadership, service, and sharing God's love with people around the world.

Dr. Jones currently serves as president of Columbia International University, where his leadership has helped expand the university's reach and create new opportunities for students. During his tenure, CIU launched its first fully online degree program, established its intercollegiate athletics program, founded the School of Business, and expanded educational opportunities through its Prison Initiative and international programs.

His impact reaches far beyond the university. In 1987, Dr. Jones co-founded Crossover Global, a mission organization that has helped plant more than 7,000 churches among

unreached populations worldwide. He also has a strong ministry presence among marketplace leaders and state and federal government officials.

His commitment to faith, leadership, and service has been recognized throughout South Carolina. Dr. Jones received the Order of the Palmetto, the state's highest civilian honor, in 2019 and the Key to the City of Columbia in 2017.

Dr. Jones and his wife, Debby, have four married children and eleven grandchildren.

Join us for the Prayer Breakfast and hear from a respected local leader whose decades of ministry and service offer a powerful perspective on faith, leadership, and making a difference in the lives of others.
